

Indian Creek Splitface with Harvest Gold Hearth

4" Natural Veneer Stone

Adding a stone façade will always enhance the beauty and elegance of your home or building while increasing the value of your property. Van Ness Stone can supply 4" natural stone veneer for many other projects, such as: re-facing or adding a fireplace, creating an indoor water fall, facing a free standing wall or any other project you may have in mind. Van Ness Stone has been a leading supplier for many years of 4" natural stone veneers to residential and commercial projects. Please visit us on-line at vannestone.com for further information and to view our photo gallery.
